## Reflection

1. One must be in a constant state of reflection, knowing the effects of one's actions, and where each action, whether of the heart, tongue or lips, leads to a special blessing from Allah, and something that (only) by the will of Allah, one can perfect. Wa Allahu A'lam. It's perfection, probably from 10 to 100 internal traits like "baseerah", firaaqah wa hakadha

Wa Allahu A'lam

May Allah bless us  
and forgive us our  
sins Ameen
